

EPHRAIM YACHT CLUB

2008 BRIDGE SCHEDULE

Bridge will again be offered at the Club in both Open Play and Group Lesson formats.

Open play will be on Monday afternoons beginning June 9th at 1:00 p.m. People are welcome to bring their lunch to the club, and eat there beforehand, but there is no set plan to include lunch.

Couples Bridge will be on Tuesdays at 4:00 p.m., with the option of going out for dinner after play. No advance registration is required for either of these open play times. Just come as often as you can. (Reminder, you do need to be a member in good standing with dues paid to play).

Group lessons will be taught by Norma Hammerberg in two separate series. Lessons in both series will be based on the Standard American system, and will utilize predealt hands based on the lesson presented. Each series of lessons will last 8 weeks and cost \$80.00

Tuesday class: Beginning Tuesday, June 10, at 9:30 a.m.- noon.

This class is designed for those who know the mechanics of the game; bidding, play and defense, but want to review and gain more experience. Class will include both review and learning of new bids that are in use today.

Thursday class: Beginning Thursday, June 12, at 9:30 a.m. – noon. (Note change from afternoons to mornings for Thursday class.)

This class is for the more experienced player. The concentration will be on the information needed when both partnerships are bidding during the auction. Objective is getting to the best contract while making it difficult for opponents to reach their best spot. Bidding will be more aggressive; bid more with less. Innovative methods of hand evaluation and bids that are in use in competitive situations will be used.

Registration is necessary for either of these lesson series and will be done on a first come, first served basis. Class limit is 20 for the Tuesday class and 24 for the Thursday class. If there are more requests for enrollment, a waiting list will be kept in case openings occur. If a class fills and you are on the wait list, you will be notified.

Curriculum and enrollment is separate for these two classes and people should not plan on “making up” missed classes on a day in the other series. To enroll, please complete the form below and send with your check (made payable to Norma Hammerberg (not EYC)). Your cancelled check will confirm your enrollment.
