

LODGING INFORMATION

2009 FLYING SCOT NORTH AMERICAN CHAMPIONSHIP

AUGUST 1-7, 2009

Ephraim Yacht Club
Ephraim, Wisconsin

Flying Scot Fleet 44 welcomes you to Ephraim and to Door County!

Ephraim is a resort town and August 1-7 is the peak of the tourist season. Lodging and camping reservations should be made **NOW**, as lodging availability will become limited. Many visitors return annually to Ephraim and have already made their reservations for next year. Housing options through EYC will be very limited. Therefore, we highly recommend that you make reservations **NOW** to ensure that you will be able to participate next year. When making your reservations, please tell your innkeeper that you are participating in the Flying Scot North American Championship, in order to be eligible for any discounts.

Peninsula State Park camping reservations open up eleven months in advance and usually fill up the day they open. So, if you plan to camp at Peninsula State Park, you should go to their website (see information below), carefully read the camping reservation instructions, and then attempt to make your reservations on the day which is eleven months prior to your arrival date. Camping is also available at other locations (see information below).

Most visiting sailors will be assigned a dry or wet slip at EYC or the public launch ramp half a mile south of the club. Public parking is extremely limited at and near EYC and the public launch ramp, so obtaining lodging within walking distance of the launch sites will enable you to leave your car at your lodging facility and avoid the hassle of finding a legal parking spot each day. We will make a reasonable effort to assign you a wet or dry slip at the place which is closest to your lodging, but we cannot guarantee this. For those sailors located beyond walking distance, we are looking into securing offsite parking and providing a shuttle.

Lodging Notations:

*** -- Discount available; number of rooms may be limited.**

W -- Indicates a facility within walking distance (1/2 mile or less) of the EYC and/or the public launch ramp.

[M] Approximate mileage is listed from each facility to EYC and to the public launch ramp. EYC is approximately one-half mile north of the public launch ramp.

Note: Highway 42 and Water Street are one and the same in Ephraim, but in Sister Bay, Highway 42 is called Bay Shore Road.

ACCOMMODATIONS IN EPHRAIM

Use P.O. Box numbers when mailing to Ephraim, and the zip code is 54211. Ephraim street addresses are only listed for location purposes and mail should not be sent to any Ephraim street addresses.
